

Applying for assistance from the “Hilfe für die Familie“ (“Family Aid”) Foundation

For female asylum seekers living in Berlin who are pregnant and are not entitled to Job Centre benefits

Dear Interested Parties,

In the event of financial difficulties during pregnancy, you can apply to us for an allowance to help finance maternity clothing and baby equipment. You are entitled to a free consultation!

Please note!

You must first apply for one-off support for the birth of your child from the Regional Office for Health and Social Affairs in Berlin (LAF) or the Social Welfare Office (Sozialamt). (Depending on where you normally receive funds from).

There you can apply for the following:

Maternity clothing, baby equipment, cot and pram.

When you have received confirmation or are still waiting for it, you can make an appointment with us. If you have an appointment at our advice centre, please bring with you an original copy and a photocopy of the following documents:

- Maternity care record
- Passport / residence permit
- Registration card / registration form
- Notifications from the LAF or Sozialamt concerning current benefits and one-off support for the birth of the child

You may only apply to the “Family Aid” foundation before the birth of the child and only one application is permitted in one advice center.

Please register with us as soon as possible.
